Once you've decided which house is perfect for you, you're ready to buy your new home.

### 1 Reserve your new home

As soon as you complete a reservation form and pay the reservation fee, we will take your new home off the market. This secures your property for a fixed period of time.

### 2 Apply for a mortgage

An independent financial advisor can help you decide which mortgage is right for you. It is important to do this as soon as possible and we will be happy to assist with this.

### 3 Appoint a solicitor

Your solicitor will handle the legal side of your house purchase, managing everything from Local Authority searches, exchange of contracts and legal completion. Ask family and friends for a recommendation or speak to one of our Sales Advisors.

### 4 Personalise your new home

By choosing from a wide variety of kitchen units and wall tiles, together with a range of optional extras you may wish to purchase and incorporate (subject to build stage).

### 5 Exchange and complete

Your solicitor will advise you once all necessary searches and enquiries have been made and your contract is ready for your signature prior to exchange. When you exchange, you will pay the agreed deposit and then we're all legally bound to complete the sale. Following build completion you will be required, prior to legal completion of the transaction, to transfer the balance of the monies to us.

### 6 Move in

Following legal completion you can collect your keys from the Sales Advisor and Site Manager who will accompany you to your new home.
